TODAY'S MARKET REPORT. Furnished by the Associated Press to the State Journal.

Chicago, March 11.

WHEAT—The government figures on farm reserves was the overshadowing influence in wheat today at the start, bringing out a good deal of long wheat for sale on the stop loss orders. May opened %21c lower at \$34,6% and declined to \$94,6c. At that point, however, the liquidation seemed to be about over and heavy buying by shorts, together with a good outside demand, started an upward tendency, May rising slowly to \$29,6c as the total amount of wheat yet to be delivered was estimated by the agricultural bureau at 185,000,000 bushels. This was very much larger than the trade had expected and 27,000,000 bushels. This was very much larger than the trade had expected and 27,000,000 bushels. This was very much larger than the trade had expected and 27,000,000 bushels over the record breaking year of 1892. I Jverpool cables were %2dd lower. World's shipments were estimated at 7,500,000, of which 4,386,000 bushels came from America. Receipts here were 55 cars, of which 8 graded contract. Minneapolis and Duluth received 520 car loads, as compared with 120 for the same day a year ago.

CORN—The gevernment report on corn was considered bearish, but the liquidation in this market was not as heavy, as in wheat and country offerings were light. May opened %24% lower at 35,67%, down to 35% and sold at 35% 57%.

OATS—Outs broke sharply on liquidation, but firmed up later on good buying by elevator concerns. Receipts, 238 cars. May began %25% then railied to 25% 67%c. EROVISIONS—Prayisions started a shade lower in sympathy with grains, but firmed up on scattered buying by commission bouses. CURES WITHOUT PAIN. One of the Best Features of the Nev Pile Cure.

The Pyramid Pile Cure cures all forms of piles without one particle of pain. This desirable point is not obtained by the use of injurious oplates which simply deaden and paralyze the nerves of the parts and make matters worse in the long run. But it is done solely by its remarkable healing and soothing effects.

And while it thus gives immediate re-

lief, at the same time the disease is not merely checked, but a radical cure is rapidly accomplished. And the point we want to make clear

is that all this is done without a par-ticle of pain.

This fact is one great reason for the popularity of the Pyramid Pile Cure and onstitutes one very great difference etween it and almost any other kind

between it and almost any other kind of treatment for piles.

Every kind of surgical operation for piles is excruciatingly painful besides endangering the life of the patient and in most cases is not to be compared with the Pyramid Cure, neither in making successful cures without pain nor in ing successful cures without pain nor in

Ing successful cures without pain nor in cheapness and safety.

The Pyramid Pile Cure has been before the public so long, and its merits recognized by too many people to allow it to be classed with the many salves, suppositories, pills, etc., and you run no risk in trying it, as is often the case with untried preparations. If you are ever troubled with any form of piles or rectal disease do not forget the Pyramid Pile Cure. Prepared by the Pyramid Drug Co., of Marshall, Mich., and sold by druggists at 50 cents per package.

the unfortunate person who is deprived of his sleep, can only be appreclated by those to whom a merciless fate has brought the same experience. To lie in bed, minute after minute, hour after hour, night after night, unable to close an eye! To roll and toss and thresh the bed clothes-to walk the floor, back and forth, to and fro, wishing, longing, praying for sleep to come and close the blood shot eyes, and rest the weary brain! To look ahead and see looming up in the near future the horrible specter of threatening insanity-that awful state in which a person is lost to himself and to his friends forever-these are but a part of the agonles endured by the sleepless one. For all of which there is no better, safer or surer remedy known to man than Dr. Miles' Restorative Nervine. The suffering and agony endured by | member of our orchestra I was kept up late at night until I was attacked by nervous headache and suffered terribly. I have laid awake hours upon hours at a time, unable to get rest. Have tried many other remedies and several physicians treated me, but I never could get relief until I took Dr Miles' Restorative Nervine. That great remedy completely restored me to

Dr. M. O. Burkholder, Stanton, Va. says: "I am more than pleased with the results of my trial of Dr. Miles' Nervine in cases of extreme nervous debility. In one case nothing else had availed. It is the best nerve remedy I have found in low conditions attended with insomnia. The patient is soothed, and, as if magic, starts on an upward movement rapidly. In La Grippe convalescence it is the very thing we want, as this peculiar disease seems to at tack principally the nerve centers. I recommend it constantly."

"Both my wife and myself have received untold benefits from the use of Dr. Miles' Restorative Nervine. Sleeplessness was her trouble which was complicated with a nervous affection of I of this paper. Address the heart which gave her great uneasiness. My difficulty was of longer stand-

and inability to sleep. I also suffered a great deal from neuralgia in my head and back. After we began taking Restorative Nervine all these nervous affections disappeared and we are both enjoying better health than for several years before. I should not fall to mention Dr. Miles' Nerve and Liver Pills which we have used with gratifying results. We keep them in the house at all times, and find them the best preventive of headaches and nervousness that we ever used."

REV. G. A. HETTLER. 210 E. Mason St., Jackson, Mich.

Dr. Miles' Nervine will positively cure headaches of long standing, and it is exceedingly beneficial in such troubles as epilepsy and hysteria.
